3A Techvolution Academy - Structured Prompt Engineering Checklist

3A Technology Solutions (CAC BN: 9931488) | Ideas - Technology - Impact

Checklist Before Sending a Complex Prompt:

[ ] Role & Domain: Did you specify the technical perspective required?

[ ] Objective: Is the exact task stated in one clear action sentence?

[ ] Context & Inputs: Have you supplied the relevant background data or constraints?

[ ] Output Structure: Did you specify table, bullet list, JSON, or step-by-step format?

[ ] Quality & Verification Rules: Did you ask the model to flag assumptions?
